

# AAC Viewfield

## Canadian Western Red Spring

AAC Viewfield is a top yielding, short, semi-dwarf CWRS with leading sprout tolerance and highest standability ratings. It stands poker straight, making production and harvest a breeze. AAC Viewfield has a good disease package including good resistance to FHB and has been praised for its good colour retention through recent difficult harvests.

- Exceptional performance in dry conditions
- High yielding, top of CWRS class across all prairie provinces
- Top-of-class in standability
- Short semi-dwarf
- Good sprouting resistance

Parentage: Stettler/Glenn
